

## *Online Bill Pay*

### Now available from Lincoln Electric

Whether you're busy taking care of your family, or just always on the go, we know how hard it is to get everything done in 24 hours. That's why Lincoln Electric Cooperative is proud to announce the availability of our new online billing feature.

You now have the ability to pay your bills online, view your account history and your statements with our new Online Bill Pay system. You can take care of your electric bill from home – before dinner, during your favorite TV show, or after the kids have gone to bed.

Just visit our website at [www.lincolnelectric.coop](http://www.lincolnelectric.coop) and click the Online Bill Pay icon.

You'll be directed to our secure site. Once there you will need to create a user ID, the first time you log on. Your user ID will consist of your email address and a password chosen by you. You can then view and pay your bill online. It's really that easy. Online Bill Pay also offers access to 18 months of payment history, 24 months of bill copies and actual copies of your bill and payment stub which can be printed. In addition, you can view charts of your monthly or average cost or usage of all accounts.

*George and Margaret spend their summers out on Glen Lake, but like to travel or spend time in their Arizona home during the long winter months. They like the convenience online billing gives them. Each month they receive an email notification reminding them their online bill is ready for viewing. They have complete freedom to pay their bill when and where they want. They really like that!*

Our Online Bill Pay system is secure and designed to protect your account and payment information. You create your own password and have the option to change it at any time as an added security measure. You can pay your bill online with a personal or business check, or use your Visa, MasterCard, American Express or Discover card.

We think you will enjoy the convenience our new online billing will offer and hope you will take full advantage of it. We would like to know what you think; you can call or send us an email to [billing@lincolnelectric.coop](mailto:billing@lincolnelectric.coop). We're always looking for ways to serve you better.
