ENERGY STAR Appliance Incentive Program

Lincoln Electric Cooperative will credit your account with a cash incentive when you purchase a qualifying ENERGY STAR clothes washer, dishwasher or refrigerator and install it in our service area. If you have questions about which models qualify, ask your retailer, call Lincoln Electric or visit www.energystar.gov for a complete list of qualifying models. To receive your bill credits simply follow these steps:

- Step 1:* Purchase a qualifying appliance and apply for the credit within 6 months of purchase.
- Step 2:* Complete this incentive form and sign at the bottom to have the incentive credited to your account. Don't forget to check what type of water heater you have.
- Step 3:* Provide us with a copy of your store receipt listing the manufacturer and model number of your appliance. Incentive cannot be processed without this information.

Please complete the following information for each appliance purchased:

Appliance	Manufacturer	Model #	Credit
Clothes Washer			\$70 w/electric water heater
			\$25 w/gas water heater
Refrigerator			\$15
Dishwasher			\$10

You MUST check one of the boxes below

I use an electric water heater where this appliance is installed	<input type="checkbox"/>
I use a gas water heater where this appliance is installed	<input type="checkbox"/>

Apply the Incentive to this Account

Location Where Appliance Installed

Member Name: _____	Address: _____		
Account Number: _____	City	State	Zip

I certify that the appliance(s) listed above were purchased for installation at the above address. I will allow a representative of LEC verify installation of the appliance(s) and type of water heater in the home. I acknowledge that this incentive program is a limited offer and is subject to availability of funds.
